product name	Half round pad		Trademark	/	
Product Drawing No	/		Specifications Type	/	
Unit under inspection	/				
Manufacturer	Wenzhou Leakage Corrosion Hardware Products Co.,Ltd				
Client name and address	Wenzhou Leakage Corrosion Hardware Products Co.,Ltd / Roon 312,Foor 3,Building 7,Wenzhou National Universtity Science Park,No.50 Dongfang South Road,Ouhai Economic Development Zone,Wenzhou,Zhejiang				
Client and contact information	Chen Lin/18563908601				
Sampling unit	/				
Sampling date	/	Identify category	Submit Inspection	Sample arriving date	Jan.18, 2021
number of samples	1	Lot size	/	Test items	Total 3
Sample grade	/	Number of Sample	2021-GC-0052	Sample status	normal
Criterion	GB/T 1040.2-2006 Plastics - Determination of tensile properties - Part 2: Test conditions for moulding and extrusion plastics				
Inspect date	Jan.18, 2021 to Jan.20, 2021		Test place	Laboratory	
Test results	<p>According to GB/T 1040.2-2006 standard inspection, the inspection value is shown in the attached page.</p> <p style="text-align: right;">Jan. 20, 2021</p> <p>(The copy report which is not covered with a red "detection special chapter" is invalid)</p>				
Remarks	Stretching speed:10mm/min(Customer Provided)
